Dear Sir,

Very many thanks for your polite  
letter of the 9<sup>th</sup> instant. and for your  
kindness in forwarding my proposal  
to Mr. Puckemann, with whom I shall  
be delighted to enter into an exchange.

So desirous am I of obtaining  
Extra-European lichens that though  
there may be some apparent dispro-  
-portion, I will willingly accept your  
offer of C. Bright's "Lichenes Esiccati  
Cubenses" <sup>in exchange</sup> for my Esiccati -  
provided you will kindly add  
the Memoirs relating to them in  
Solliman's Journal & the Proceedings  
of the American Academy of  
Arts & Sciences

And if you will add any of  
your own Botanical Works, I shall  
be most happy to return you in  
exchange such of my Manuscripts  
of British lichens as I may still  
possess copies of.

May I also mention that I am  
forming a collection of Photographs  
of eminent Botanists, at home &  
abroad, with whom I have had  
the honour of corresponding and  
exchanging specimens. Will you  
therefore allow me the liberty of  
asking for your Photograph - and  
if you will pardon the vanity, I  
will return you my own.

Your parcel may be transmitted  
through Messrs. Friebner & Co's. Booksellers  
Agents - and I will send mine to
